Pres. Robt. A. Falconer,
University of Toronto,
Toronto, Canada.

Dear Pres. Falconer:-

At the meeting of the Association of Urban Universities held in Pittsburgh, an account of the preceding meeting and the complete report of the Field Work Committee was distributed. By vote of those present it was decided to give to each member institution ten copies of this very valuable report, and it was further determined that additional copies be ordered by members at the rate of 20¢ a copy.

Since the report is rather expensive I shall want to be very careful in ordering additional copies from the printer. Will you, therefore, please let me know if you wish such copies of the Field Work Report at the rate of 20¢ a copy. I must get this information from all members in order to make a requisition for the proper supply during the next week.

Very sincerely yours,

Frederick B Robinson
